

COMMITTEE CO-CHAIR

As the GCA Committee Co-Chair, you play a pivotal role in collaborating with and supporting the Committee Chair. Your proactive leadership, combined with the support of the Committee Staff Liaison Officer, is instrumental in ensuring the smooth functioning of the committee and advancing its mission and objectives.

KEY RESPONSIBILITIES

✔ Collaborate with the CEP & the Committee Chair

Work closely with the CEP and the Committee Chair and the Committee Staff Liaison Officer to collectively lead the committee. Through effective communication and teamwork, you will contribute to shaping the committee's strategic direction and initiatives.

✔ Committee Coordination

Collaborate in coordinating committee activities, including quarterly meetings, working groups, and special projects. Facilitate effective communication and collaboration among committee members, supported by the Committee Staff Liaison Officer, to ensure seamless execution of initiatives.

✔ Engage Committee Members

Foster a culture of active participation and engagement among committee members in their respective areas of interest. Encourage a sense of teamwork and collaboration, with the support of the Committee Staff Liaison Officer, to achieve collective goals.

✔ Thought Leadership

Contribute collaboratively to thought leadership initiatives, advocating for effective cybersecurity practices and promoting industry standards. Work in partnership with committee members and the Committee Staff Liaison Officer to develop valuable insights and recommendations.

✔ Mentorship and Support

Provide collaborative mentorship and support to committee members, fostering their professional growth and development. Encourage a culture of knowledge-sharing and continuous learning within the committee, with the assistance of the Committee Staff Liaison Officer.

✔ Advocacy and Representation

Collaborate in planning and executing impactful initiatives, campaigns, and events aligned with the committee's mission. Work in partnership with committee members and the Committee Staff Liaison Officer to ensure successful outcomes.

✔ GCA Alignment

Collaborate to ensure that all committee activities are aligned with GCA's overall mission, objectives, and values. Work in partnership with the CEP and Committee Staff Liaison Officer towards the collective goal of making a positive impact on cybersecurity globally.

GCA Committee Co-Chair's role will be pivotal in ensuring the committee's success and will contribute to the committee's effectiveness and help drive positive change in the cybersecurity industry.
