

STEPS FOR MEMBERSHIP AND APPOINTMENT TO DIFFERENT ROLES WITHIN THE GCA COMMITTEES

1 Apply to be a Member of the Committee

- Interested individuals may apply through the GCA website homepage "Join GCA Committees" section, LinkedIn or referral.
- If the individual's education, experience, skills and/or interest aligns with the GCA Committees, an onboarding link is shared as a next step.

2 Review Committee Documents & Complete the Onboarding Process

- Prior to initiating the onboarding process, it is advised that the committee documents are reviewed to get an overview of the Committee Structure, Roles & Responsibilities etc. The documents could be accessed through the following link <https://globalcybersecurityassociation.com/committee-documents/>
- All steps of the onboarding steps must be completed before submission.

3 Member Profile Creation

- Committee Member profile creation will be completed and the members would be notified with their credentials via email.

4 Profile Management and Content Submission

- Once the profile is created, committee members may edit/update their profile and password as may be required.
- Committee Members can also submit content for review by GCA content team. If the content is approved by the content team, it would be published on the GCA website, GCA LinkedIn Page and others as may be relevant.

5 Role Appointment Process

- After successful onboarding, committee member's expressed interests in committee roles are reviewed. In case of a fit and an opening, member receives a notification for further steps in the process.
- To enable an informed decision, the process involves a detailed discussion with the interested member to discuss the requirements, committee structure, roles and responsibilities.

6 Appointment Communication

- If the GCA Membership Team and the committee member agree to the appointment, the Committee Member receives a communication regarding appointment to the specific roles within the committee.
